

# **DISCOVERY STAGE PRESCHOOL AND CHILD CARE, INC.**

## **COVID-19 Preventative Plan**

It is important to know that the health and well-being of your family and our staff is top priority.

Discovery Stage is doing the following to help prevent Covid-19 spreading in our Center:

- Taking temperatures of children and staff upon arrival.
- Providing hand sanitizer in the office for you to use.
- Increased hand washing throughout the day.
- Increased frequency of cleaning and sanitizing throughout the Center.
- Adults should wait behind the desk located at the front entrance.
- We have stopped serving Center-provided lunches at this time. Each child should bring in a cold lunch from home, using cold packs to keep cold. Each lunch should include a protein, a grain, a fruit, a vegetable or two fruits or two vegetables. Pouches are acceptable. We provide milk and snacks.
- Keeping hands away from faces and practice social distancing whenever possible.

If you or a family member are experiencing any Covid-19 symptoms, please stay home, self-isolate and call your medical provider.

Symptoms of Covid-19 may include:

- Fever of 100.4 or higher
- Body aches
- Dry cough, sore throat
- Headache
- Shortness of breath
- Fatigue, diarrhea
- Vomiting
- Inability to taste or smell

Discovery Stage's response to Covid-19 exposure:

- If a child or staff member is diagnosed with Covid-19, our local public health department and our licensing specialist will be notified for the next step in regards to our facility.
- If a child becomes ill, parents will be notified to pick up. Children who become ill must be separated in an isolated area until they are picked up to go home.

Thank you for your role to help keep our Center, Families and Staff safe!
