

FEBRUARY 2012 NEWSLETTER

FEBRUARY THEME

Our theme for February is “Things We Love” – our health, our friends, our pets!

MAGIC PHOTOGRAPHER!

Magic Photographer will be here on Thursday, February 2nd. She will begin photographing at 7:00 a.m. Walk-ins are welcome, but you must be here before 10:00 a.m. Envelopes will be in your child’s mailpocket soon. You must fill out an envelope to have your child photographed. Each child photographed will receive a free gift – a purchase is not required. Return the completed envelopes to the office. This is not a fundraiser, it is service we provide to our families.

SCHOLASTIC BOOKS

Scholastic Book orders will be due Monday, February 6th. Checks should be made payable to Discovery Stage but ordering online is better!

SNOW CLOSINGS

Discovery Stage will close due to power failure or National Weather advisories only. Please watch TV or go online (BEST source), as we will post these on all the local stations.

OUTDOOR CLOTHING

Winter has finally arrived so we need children to bring outdoor winter apparel as we go outside daily.

Please LABEL ALL ITEMS – i.e. coats, MITTENS, boots, snow pants, etc. We **highly** recommend waterproof MITTENS – NOT knit gloves because children cannot get their individual fingers into the gloves. Also, make sure your child has extra winter indoor clothing – especially socks!

VALENTINE PARTIES

Watch for classroom sign-ups posted near your child’s classroom.

SIGN IN AND SIGN OUT

Per State mandates, each child must be signed in and out on a daily basis. Only **ADULTS** may log in or out.

KEY PAD ENTRY

Please **do not allow children** to enter the code on the key pad. When they incorrectly enter codes, it jams our system. This is a costly piece of equipment to repair or replace.

WINTER SUPPLIES

If you have not returned your winter supplies, you may still do so. Thank you to those who have donated – we really appreciate it.

REMINDERS

Please remember to call in or e-mail absences by 9:00 a.m.
